Large Press for Big or Stuffed burgers

Using the 3-in-1 Burger Press

For Burgers and Sliders

- Fill the Small Base or the Large Base with Burger Mix, then use the large press to compress and smooth the burger.
- Push up the base plate from below to release the burger.

For Stuffed Burgers

- Partially fill the large base with burger mix.
- Create a well, using the Ident Press (detach from the Large Press by turning the handle counter clockwise until it stops and then lift it up while holding the base).
- Add your favorite fillings, then add another layer of burger mix on top.
- Use the large press to compress and smooth the burger.
- Push up the base plate from below to release the burger.
- Do not completely fill the Large Base as burger mix may spill out when pressed.

Care instructions

- The 3-in-1 Burger Press is Dishwasher Safe.
- If you wash by hand, please use a mild detergent and warm water.
- Dry thoroughly before storing.

We hope you will enjoy your new **3-in-1 Burger Press**.
